

# Reflejos de mi tierra

HECHO A MANO

## For the care Home accents we suggest:

- Handle with care the objects using cotton gloves for silverware.
- Polish with a soft dry cotton rag to wipe off.
- Use only specific products for silverware cleaning.
- Do not use the product for silverware on the Kenua handles; use beeswax for wood care.
- Avoid to use wet food and drinks, particularly the acid ones can cause stains or alterations on the metal.
